The above warranty specifically excludes defects resulting from accident, abuse, unauthorized repair, modifications or enhancements, or misapplication. **THE FOREGOING IS YOUR SOLE AND EXCLUSIVE REMEDY FOR SYMANTEC'S BREACH OF THIS WARRANTY.**

8. **WARRANTY DISCLAIMERS. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, THE WARRANTIES SET FORTH IN SECTIONS 7.1 AND 7.2 ARE YOUR EXCLUSIVE WARRANTIES AND ARE IN LIEU OF ALL OTHER WARRANTIES, WHETHER EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY, SATISFACTORY QUALITY, FITNESS FOR A PARTICULAR PURPOSE, AND NONINFRINGEMENT OF INTELLECTUAL PROPERTY RIGHTS. Such evaluation license shall terminate (i) on the end date of the pre-determined evaluation period, if an evaluation period is pre-determined in the Licensed Software or (ii) sixty (60) days from the date of Your initial installation of the Licensed Software, if no such evaluation period is pre-determined in the Licensed Software ("Evaluation Period"). The Licensed Software may not be transferred and is provided "AS IS" without warranty of any kind. You are solely responsible to take appropriate measures to back up Your system and take other measures to prevent any loss of files or data. The Licensed Software may contain an automatic disabling mechanism that prevents its use after a certain period of time. Upon expiration of the Licensed Software Evaluation Period, You will cease use of the Licensed Software and destroy all copies of the Licensed Software. All other terms and conditions of this License Agreement shall otherwise apply to Your evaluation of the Licensed Software as permitted herein.

12. **U.S. GOVERNMENT RESTRICTED RIGHTS.** The Licensed Software is deemed to be commercial computer software as defined in FAR 12.212 and subject to restricted rights as defined in FAR Section 52.227-19 "Commercial Computer Licensed Software - Restricted Rights" and DFARS 227.7202, "Rights in Commercial Computer Licensed Software or Commercial Computer Licensed Software Documentation", as applicable, and any successor regulations. Any use, modification, reproduction release, performance, display or disclosure of the Licensed Software by the U.S. Government shall be solely in accordance with the terms of this License Agreement.

13. **EXPORT REGULATION.** You acknowledge that the Licensed Software and related technical data and services (collectively "Controlled Technology") are subject to the import and export laws of the United States, specifically the U.S. Export Administration Regulations (EAR), and the laws of any country where Controlled Technology is imported or re-exported. You agree to comply with all relevant laws and will not to export any Controlled Technology in contravention to U.S. law nor to any prohibited country, entity, or person for which an export license or other governmental approval is required. All Symantec products, including the Controlled Technology are prohibited for export or re-export to Cuba, North Korea, Iran, Syria and Sudan and to any country subject to relevant trade sanctions. You hereby agree that You will not export or sell any Controlled Technology for use in connection with chemical, biological, or nuclear weapons, or missiles, drones or space launch vehicles capable of delivering such weapons.

16.2. **COMPLIANCE WITH APPLICABLE LAW.** You are solely responsible for Your compliance with, and You agree to comply with, all applicable laws, rules, and regulations in connection with Your use of the Licensed Software.

16.3. **AUDIT.** An auditor, selected by Symantec and reasonably acceptable to You, may, upon reasonable notice and during normal business hours, but not more often than once each year, inspect Your records and deployment in order to confirm that Your use of the Licensed Software complies with this License Agreement and the applicable License Instrument. Symantec shall bear the costs of any such audit, except where the audit demonstrates that the Manufacturer's Suggested Reseller Price (MSRP) value of Your non-compliant usage exceeds five percent (5%) of the MSRP value of Your compliant deployments. In such case, in addition to purchasing appropriate licenses for any over-deployed Licensed Software, You shall reimburse Symantec for the auditor's reasonable actual fees for such audit.

16.4. **GOVERNING LAW; SEVERABILITY; WAIVER.** If You are located in North America or Latin America, this License Agreement will be governed by the laws of the State of California, United States of America. If you are located in China, this

License Agreement will be governed by the laws of the Peoples Republic of China. Otherwise, this License Agreement will be governed by the laws of England. Such governing laws are exclusive of any provisions of the United Nations Convention on Contracts for Sale of Goods, including any amendments thereto, and without regard to principles of conflicts of law. If any provision of this License Agreement is found partly or wholly illegal or unenforceable, such provision shall be enforced to the maximum extent permissible, and remaining provisions of this License Agreement shall remain in full force and effect. A waiver of any breach or default under this License Agreement shall not constitute a waiver of any other subsequent breach or default.

16.5. THIRD PARTY PROGRAMS. This Licensed Software may contain third party software programs ("Third Party Programs") that are available under open source or free software licenses. This License Agreement does not alter any rights or obligations You may have under those open source or free software licenses. Notwithstanding anything to the contrary contained in such licenses, the disclaimer of warranties and the limitation of liability provisions in this License Agreement shall apply to such Third Party Programs.

16.6. CUSTOMER SERVICE. This License Agreement and any related License Instrument are the complete and exclusive agreement between You and Symantec relating to the Licensed Software and supersede any previous or contemporaneous oral or written communications, proposals, and representations with respect to its subject matter. This License Agreement prevails over any conflicting or additional terms of any purchase order, ordering document, acknowledgement or confirmation or other document issued by You, even if signed and returned. This License Agreement may only be modified by a License Instrument that accompanies or follows this License Agreement.

17.2A You may use the Licensed Software in accordance with the terms and conditions set forth below for the type of license You have received for the Licensed Software, as indicated in the applicable License Instrument(s):

(1) You must have a license for each instance (physical or virtual) of the Licensed Software, provided, however, that You may make and use a reasonable number of copies of the Licensed Software in a non-production testing, lab or staging environment. An “instance” of the Licensed Software is created by executing the Licensed Software’s setup or install procedure and/or duplicating an existing instance. References to “Licensed Software” in this License Agreement include “instances” of the Licensed Software.

(2) **Concurrent User License.** Under the terms of a Concurrent User License, You may use the Licensed Software for up to an aggregate number of Concurrent Users that does not exceed Your quantity of Concurrent User licenses, as indicated in the applicable License Instrument.

Notwithstanding the foregoing, if Your License Instrument indicates that you have received licenses for Deployment Solution, Monitor Solution and Inventory Pack for Servers as a result of Your purchase of one or more licenses to a suite of products, You may use each of these individual Licensed Software Products to manage an aggregate number of client and/or server machines which does not exceed the number of licenses You have received for Patch Management Solution, as indicated in Your License Instrument, regardless of the number of licenses actually listed for Deployment Solution, Monitor Solution and Inventory Pack for Servers in Your License Instrument.

17.2C If Your License Instrument indicates that you have received one or more Concurrent User licenses for Barcode Solution, you may deploy such licenses on an aggregate number of consoles and/or devices, as further described in the Documentation (“Barcode Consoles” and “Barcode Devices”, respectively), which does not exceed Your total number of Barcode Solution Concurrent User Licenses indicated on Your License Instruments. For purposes of Your use of Barcode Solution, any licenses deployed on Barcode Consoles are subject to the Concurrent User license terms set forth herein, and any licenses deployed on Barcode Devices are subject to the Device license terms set forth herein.

Any support for the Component will be provided by Symantec in accordance with Symantec's then-current support guidelines.
- (2) Linux Kernel. The Linux Kernel component is not governed by this License Agreement. If you choose to install and use the Linux Kernel, your use of that component will be subject to and governed by the terms of a separate license agreement, the GNU General Public License, version 2.0, located at <http://www.gnu.org/licenses/gpl-2.0.html#TOC1>. If you do not agree to such terms for use of the Linux Kernel, do not install or use such component.

17.2E If Your License Instrument indicates You have received a license to Software Management Solution, the following terms and conditions shall apply. The Software Management Solution Licensed Software includes the Symantec Workspace Virtualization Agent (the "SWV Agent"), which includes the option to install the Symantec Workspace Virtualization Software Development Kit ("SWV SDK") and/or the Software Workspace Virtualization Admin Tool (the "SWV Admin Tool"). Such SWV SDK license shall be in addition to any licenses for the other portions of the Licensed Software acquired by You under this License Agreement. You shall have no right to modify or alter the SWV SDK.
 - b. No Redistributable Code. The SWV SDK shall only be used by You for Your internal use and may be not be distributed, alone or as integrated with any other code or product, by You in any manner whatsoever to any third party.
 - c. Open Source Code. Your license rights to the SWV SDK are conditioned upon Your not creating derivative works of the SWV SDK in any manner that would cause the SWV SDK in whole or in part to become Open Source Code. "Open Source Code" means a software program that is licensed under terms that require disclosure to parties other than the licensor of the source materials of the software program or modifications thereof, or any source materials of any other software program with which the Open Source Code software program is intended to operate, or that create obligations to distribute any portions of any software program with which the Open Source Code software program is used. Open Source Code includes, without limitation, any software licensed under the GNU General Public License.
 - d. Development Disclaimer. Notwithstanding any other provision of this License Agreement, the following terms shall be applicable to the SWV SDK: **THE SWV SDK ALLOWS YOU TO INTEGRATE THE LICENSED SOFTWARE WITH YOUR EXISTING SYSTEMS, OTHER SYMANTEC PRODUCTS, OR THIRD PARTY PRODUCTS, SUBJECT TO THE LIMITATIONS SET FORTH IN 17.2E(2)a. SYMANTEC SHALL NOT BE RESPONSIBLE FOR ANY SUCH INTEGRATION OR ANY DEVELOPMENT AND PROGRAMMING ACTIVITIES UNDERTAKEN BY YOU. UNLESS YOU USE THE APPROPRIATE DEGREE OF SKILL AND CARE IN YOUR DEVELOPMENT AND PROGRAMMING ACTIVITIES, YOUR INTEGRATION OF THE LICENSED SOFTWARE WITH YOUR EXISTING SYSTEMS, OTHER SYMANTEC PRODUCTS, OR THIRD PARTY PRODUCTS MAY CAUSE ERRORS OR PROBLEMS IN THE USE OR OPERATION OF THE LICENSED SOFTWARE. YOU MAY USE THE SWV SDK TO INTEGRATE THE LICENSED SOFTWARE WITH YOUR EXISTING SYSTEMS, OTHER SYMANTEC PRODUCTS, OR THIRD PARTY PRODUCTS AT YOUR SOLE RISK AND SYMANTEC SHALL HAVE NO LIABILITY FOR ANY FAILURE OF THE SWV SDK AND/OR THE LICENSED SOFTWARE BASED ON YOUR FAILURE TO PROPERLY DEVELOP, PROGRAM, INSTALL, CONFIGURE AND MONITOR YOUR INTEGRATION OF THE LICENSED SOFTWARE WITH YOUR EXISTING SYSTEMS, OTHER SYMANTEC PRODUCTS, OR THIRD PARTY PRODUCTS.**

The Licensed Software collects system data that is not personally identifiable. The Licensed Software may also collect personally identifiable information, including but not limited to, usernames, IP addresses in log files, server log files, MAC address, metering application usage by username and active directory module. If submitted to Symantec, such information will be used for the purpose of troubleshooting and to provide support. The information may be transferred to the Symantec group in the United States or other countries that may have less protective data protection laws than the region in which You are situated (including the European Union) and may be shared with affiliates of the Symantec group worldwide and with Symantec licensors or service providers that operate on Symantec's behalf, but Symantec has taken steps so that the submitted information, if transferred, receives an adequate level of protection. In case of transfer of users' personal information to Symantec, it is Your responsibility to comply with applicable laws, including, but not limited to, communication to users.
